

ST. KAREN'S SECONDARY SCHOOL

SESSION : 2021 – 2022

CLASS : 7

INTEGRATED PROJECT FOR SUMMER VACATION

Given below are the projects for your summer vacation, which have to be carried out on A4 sized papers or bio sheets.

Upload your projects in the e-Care Pro and send them to the respective subject teachers latest by 1st of June, 2021.

TOPIC : ENVIRONMENT AT A GLANCE

ENGLISH

The natural vegetation of our state, Bihar, is chiefly Tropical Deciduous type. Keeping this in view, write an interesting article on the Tropical Deciduous Forest, keeping your points well organised.

हिंदी

किसी भी पशु या पक्षी पर एक सचित्र कविता लिखें।

MATHEMATICS

Collect and tabulate the number of shrubs, herbs and trees from your surroundings, and represent this tabulated data with the help of Bar Graph on a graph paper.

SCIENCE

Define trees, shrubs and herbs, giving five examples of each. Paste real leaves or pictures of leaves of any three trees, shrubs and herbs each.

SOCIAL SCIENCES

Collect images, maps and information of the tropical and sub-tropical types of vegetation in India.

संस्कृत

अरण्यम् (जंगल) का चित्र बनाकर उसपर संस्कृत में पाँच वाक्य लिखें ।

COMPUTER EDUCATION

Based on the data collected through your Mathematics Project, prepare an Excel Spreadsheet of the same.
